

## FAUSTINO I BLANCO GRAN RESERVA

### Description

A modern wine where the nuances of stone fruits such as peach and apricot, floral and tropical, such as mango and pineapple, all with syrupy notes merge with elegant notes of wood provided by the barrel and its ageing process in the bottle.

It goes perfectly with fish and white meats. Poultry in light sauces goes very well, as do rice dishes, paellas and seafood.

### Issues

White Viura and Chardonnay

6-8 months in new French and American oak barrels

D.O.Ca Rioja

75 cl
